GERMAINE DE CAPUCCINI

Introduction to Germaine de Capuccini

The premium products and treatments offered by Germaine de Capuccini are found in the most exclusive salons and spas throughout the world, and are offered by the most highly trained beauty therapists in the industry. The successful combination of natural active ingredients with cutting edge technology has enabled the company to bring some of the most influential skin care products and professional spa therapies the beauty industry has ever seen.

Here at beauty969 we also use Hydrotherm warm water pillows to support and comfort the entire body during treatments.

A Taste of Germaine 25 mins £30.00

An introductory facial designed to refresh your skin with prescriptive products. This insight into Germaine de Capuccini includes cleanse, exfoliation and massage.

Spa Prescriptive Facial 50 mins £45.00

5 star therapy for all skin types. We will provide you with a prescriptive treatment designed especially for your skin. Regardless of your skin type, age or concerns, this facial will specifically cater to your skin's needs. Your facial includes a highly relaxing anti-ageing facial massage, together with a warm pinda scalp massage, leaving your skin fresh, clear and radiant.

So Delicate

60 mins £55.00

Designed for the most delicate and sensitive skin, this facial calms and strengthens. Products are hypo-allergenic and highly suitable for skins that react easily.

Advanced Facials

Time Expert C+ (A.G.E.)

55 mins £65.00

Vitamin Facial

The first professional anti-glycation treatment with an intense revitalizing and anti-ageing effect. Perfect for skin which looks dull and tired. This advanced treatment uses Ume Extract, a type of Japanese plum that counteracts the effects of glycation along with Vitamin C to repair the skin's luminosity, vitality and firmness. One treatment provides a spectacular visible result, 4 weekly treatments provide a lasting revitalizing effect.

Time Expert Lift (In)

70 mins £70.00

An advanced facial to lift, firm and redefine the facial contour.

With visible results from the first treatment, the Define Lift treatment is set to revolutionise non-surgical lifting. Its unique approach works on the three essential factors of skin rejuvenation: vertical lifting, lateral lifting and volume. Define Lift includes a unique and extraordinary facial massage which uses a very precise 360 degree sculpting technique through massage, working on every angle of the facial contour.

Whilst a one off treatment is excellent, a course of 4 treatments can be recommended.

AOX System, Anti -Oxidising 40 mins £45.00
Facial AHA and PHA Peel with Retinol

A revolutionary Peel, combining a bionic and Ferulic facial peel system to treat hyper pigmentation and free radicals, which is suitable for the most sensitive of skins.

This new peel to Germaine de Capuccini is complete with a 1% retinol (Vitamin A) serum. Reducing the appearance of lines and clarifying the skins tone and texture, with immediate results. Recommended to be taken as a course of 4 (1 a week).

Upgrades

£15.00 each

GlycoCure

A deep exfoliation which can be added to any Germaine de Capuccini facial treatment, helping to improve the uptake of products during your facial. A highly active Glycolic Facial Peel, formulated with alpha hydroxy acids, renews the skin at the deepest level before an advanced neutralising mask is applied, providing an immediate soothing action and detoxifying the skin's surface. The surface of the skin is immediately improved, wrinkles and irregularities are faded, open pores are minimized and congestion reduced.

Germanium Roll and Lift

Giving an instant lift, our Germanium rotating wand is used with high-tech rolling and lifting techniques. This unique therapy re-balances the positive and negative ions in the skin, restoring freshness and vitality, leaving you feeling more energised and instantly lifted.

Rides Eyes Treatment

For lines and wrinkles and puffiness

The eye area is the first to show signs of ageing with fine lines appearing generally from the age of 25 and onwards. Our Timexpert Eye Treatment works in a natural way to fill in and plump out lines and wrinkles around the eyes. The skin around this delicate area is left looking smoother, lines and wrinkles are reduced in length and depth, and dark shadows and bags under the eyes are reduced.
